Groups & Charities Program

2017-2018 Life Time Fitness Athletic Events - Florida Groups and Charities Program

All the information and important dates needed for the 2017-2018 season is below, along with a link to join the group/charity program.

How It Works

Follow these steps in order to enroll in the Life Time Events group/charity program for 2017-18.

Step 1: Review this document in its entirety. Please reach out with questions or if anything is unclear.

Step 2: Complete the opt-in survey linked at the bottom of this document.

Step 3: Select the race(s) your organization plans to participate in.

Step 4: Select the payment option that best fits your group/charity team:

Option A (\$10 off for participants): A group/charity discount code will be provided to your team. Team members may utilize this code to register and pay for race entry fees on their own. Redemption of this code indicates the participant is an official member of your team.

Option B (full comp for participants): Select this option if your team will cover the cost of registration for your members. Your group/charity will be issued a series of redemption codes to distribute to team members who have met your group's/charity's requirements. Registration fees will be billed to your group/charity and must be paid prior to receiving your registration codes.

Step 5: Recruit and grow your team!

Once steps 1-4 are completed, the Life Time Events Group/Charity Coordinator will contact you with your unique code(s) – which can be distributed directly to athletes. Please refrain from posting this code in places accessible by people outside your organization, as you are responsible for each person who registers with your team's code(s). Each month, the Group/Charity Coordinator will send you a report of everyone who has registered using your unique group/charity code. This will ensure you are aware of your partnership level on a monthly basis.

Volunteers

The success of each race depends on thousands of volunteers. In this group/charity program, each partner is responsible to provide two (2) race weekend volunteers for every 10 group/charity participants per race, in exchange for the discounted rates provided to your organization. For any questions or more volunteer opportunities please contact VolunteerMiami@lt.life.

Pricing Information

- Groups/Charities that select Option A will be provided a discount code. That code will be good for \$10 off current price registration fees (after tier 1 pricing) for applicable half and full marathons, and for \$5 current price registration fees (after tier 1 pricing) for the Turkey Trot Miami 5K/10K. Athlete registration fees follow the pricing structure identified below.
- Groups/Charities who select Option B will purchase entries on behalf of their participants, and are locked into the applicable pricing tier at the time of enrollment. For example, if a charity joins the Miami Marathon & Half Marathon program April 1, they will be charged \$90 for the full marathon entries and \$75 for half marathon entries for the duration of the program.

The Fine Print

This program represents an agreement between Life Time Fitness Events and the participating group/charity, its coaches, athletes and relevant support staff. Pass through inclusions and/or entitlements via third parties (e.g. club sponsors, retail partners, etc.) are not permitted within the scope of this program.

All group/charity participants must be registered 30 days prior to each event or before individual race registrations reach capacity – whichever happens first. Participants must use the code provided. Codes will expire 30 days prior to each event. Those who fail to register using the group/charity code are not eligible for a retroactive discount, nor can be added towards a group's/charity's registration count. Final group/charity registrations will be tallied 30 days prior to the event, allowing adequate time for race weekend space allocation and team preparation. Please avoid promoting your team's discount code in public areas (e.g. Non-fenced Facebook, Twitter, etc. accounts), as the general public is not eligible for discounted entry.

- **2018 Tropical 5K – 12/26/18 registration deadline**
- **2018 Miami Marathon & Half Marathon – 12/27/18 registration deadline**
