### COURSE CONSIDERATIONS

The Start Line is located on the MacArthur Causeway on the east side of Watson Island. There will be no early start for walkers, but we ask that if you do plan on walking or have a stroller of any kind, that you please start near the end of the pack to avoid being crowded or bumped.

All participants must maintain a 20-minute per mile pace (a walking pace) and be able to complete the course within 60 minutes or less of crossing the start line. Each event finisher will receive a custom Finisher's Medal once they cross the finish line.

**\*Participants must have purchased a race entry and wear their assigned bib throughout the entirety of the race. Runners on course without a bib will be subject to removal and will not receive a Finisher medal.**

### POST-RACE PARTY AT NIKKI BEACH

Celebrate your finish at one of the hottest spots in South Beach with a post-race snacks, refreshments, music and more! Nikki Beach is located just a few blocks east of the Finish Line and volunteers will be present to provide directions.

Don't forget to check your results to see if you placed in your age group or are an overall winner. The awards ceremony announcing overall awards will begin at 9:00 AM and age group medals may be picked up at the Results table.

**\*Please note, the last shuttle will leave Nikki Beach at 10:00 AM back to the shuttle drop-off locations in Miami Beach and at Jungle Island.**

## TROPICAL 5K

ON SATURDAY, JANUARY 24, the Life Time Foundation and Miami Marathon are collaborating with Clean Miami Beach and Ford Bronco to bring volunteers and fund the efforts to clean the shores of South Beach. Clean Miami Beach is dedicated to keeping the local community and natural habitats free of garbage and harmful pollutants with primary focus on single-use plastics.

Hand in hand, we can make a difference to inspire Healthy People, a Healthy Planet, and a Healthy Way of Life, as we actively contribute to the well-being of both our communities and the environment. By participating in beach cleanups, we can work together to create a healthier planet and cleaner environment by ensuring shorelines are free from harmful pollutants and foster a sustainable and vibrant ecosystem for generations to come.
